

GOD Time

Day 1

Read Joshua 1:9

Week | 04

When you stand for what's right, you can know God is with you ... AT ALL TIMES. Isn't that the best thought ever? When you wake up, during school, at the movies—God is with you. You don't need to be afraid or discouraged, even when you're standing for what's right and no one else is standing with you. Why? Because GOD is with you all the time.

Using materials around your house, make a clock face. (Get creative to figure out how to make the hands move.) Think about what you do at different times of the day. Is God with you? How do you know?

Day 2

Read 1 Corinthians 16:13

Week | 04

When you stand for what's right, you can know God is with you ... PROVIDING COURAGE. That's a good thing too. Remember all the bad things that happened to Stephen? Do you think enduring all of that required courage? You bet. Did Stephen's courage come from God? Acts 7:55 says that Stephen looked to heaven and saw God's glory. What a reward for his deep conviction!

Day 4

Read Isaiah 40:31

Week | 04

When you stand for what's right, you can know God is with you ... AND RESTORES YOU. To "restore" means to give new strength or return to order. Think of someone who buys a house that's falling down and lovingly repairs it so it's like new. That's what God does for you: He fixes what's broken, strengthens what's weak, and polishes and cleans and paints. He'll restore you so you can soar.

Make paper airplanes with a friend. Decorate them to look like eagles. Challenge your friend to a contest to see whose plane flies the highest, farthest, and fastest. Think about God's promise to restore your strength.

KNOW that when you're tired God will renew your strength.

When you stand for what's right, you can know God is with you ... AND IS PLEASED BY YOUR CONVICTION. Have you ever thought about that? You can please God with your actions! Today's verses remind us to praise God in the tough times and continue to do the right thing. Doing so makes you strong and pleases God. Now that's a winning combination!

Read 1 Peter 5:10. When we're having a hard time, what does God promise to do for people who believe in Him?
